

## GBSA Pursuit Race 5 & 6 7/5/09

Winds gusting up to 16 knots soon sorted out the Men from the Boys (& Girl)!

8 started but only 3 completed the course. Simon Gregory was fastest upwind somehow holding onto a 10.3m sail. Tim was fastest off the wind with his 9.5m sail. Simon L raced with the prodigy 8.5m which was\ quite large enough thank you!

The racers finished in that sail size order, Simon L struggling at the back having broken his harness line on the first beat.

Unfortunately the broken line was on the port side which was the favoured tack.....now his arms are trailing along the floor....

The second race saw only the previous 3 finishers start and the finish order was the same as the first race.

## GBSA Sunday Course Race 10/5/09

The first race saw Jo Robinson take the lead and defended it for 2 laps until the greater sail power of Simon Gregory and Tim caught up with her on the last lap. Simon L and Nigel duelled in the middle of the fleet eventually crossing the line in parallel formation. Who was first over the line????? Only a line judge could call.

The second race saw Dennis and Matt retiring in the increasing breeze. Simon G lead Tim over the line once again and Simon L played catch up from the back to eventually come 3<sup>rd</sup> whilst Jo found that following Simon's navigation through the rocks was not to be recommended. Her fin was left hanging by a thread. Nigel meanwhile seems to be making 4<sup>th</sup> position his property.
